COVID-19 Precautions

Whilst the Church continues to be alive and active, parish churches in London are now closed.

We must physically distance ourselves from one another and prevent the spread of infection in order to save lives. In order to protect the vulnerable, please do not leave your home except for essential trips.

Our worship of God and our care for each other continue but can longer be done in this building.

The Marylebone NHS Health Centre continues its work of providing primary care – but this is done being through telephone contact. Child Health Clinics have been suspended.

Marylebone Health Centre (NHS) Telephone: 020 7935 6328 Out of Hours: 111

The priests of this parish will still pray the Daily Offices of Morning and Evening Prayer and offer the Eucharist for you and for all people regardless of faith. The parish bells will be rung as sign that worship is still continuing here.

The parish church's website has details of how to join others online for prayer, worship, study, and community life:
